

## Make an Impact with Funky Glassware by Country Artists

In shades of bottle green, azure blue, smoky plum and rich amber, glassware is the latest addition to the Country Artists Natural Homeware range. Hand finished with generous proportions — heights range from 9 to 54cm — the glassware is guaranteed to make bold decorative statements throughout the home.

The collection includes vases, planters and bowls perfect for a variety of uses, from displaying a single beautiful flower to a striking bouquet or for holding fruit, nuts or pot pourri. The range of jewel colours and shapes ensures there's a vase to complement every decorative scheme and to enhance every bloom.

Natural Home is a fresh initiative from Country Artists bringing together inspirational and stylish ideas for the home. Individually boxed, the designs from clocks to glassware make attractive and thoughtful gifts but are also ideal as a self-purchase treat.

*Glassware prices range from £19.95–£35.00*
