

## Champion Figurines join The Trail of Painted Ponies

The Trail of Painted Ponies grows in popularity year on year and the seven launches for early 2012 are destined to add to the success of the brand, especially with figurines such as Big Ben with its bold patriotic decoration.

Designed with the Olympics and the Diamond Jubilee of HM Queen Elizabeth in mind, Big Ben's Union Jack saddle cloth is complemented by the stand, and it goes without saying that he's a pretty handsome stallion, worthy of a gold medal in any competition.

Big Ben's six new stable mates are also first rate horses continuing the fine traditions of The Trail of Painted Ponies collection with their imaginative decorations inspired by art, history and folklore. To the forefront are the feisty Cowgirls Rule, the enchanting Magical Swan and the formidable stallion, Storm Rider. Conveying messages of resilience, transformation and perseverance, the beautifully designed and carefully made figurines will strike a chord with collectors nationwide.
