

'Let's Go Surfin'...with New All-year-round Beach Babies

January 2017 welcomes the introduction of a brand new collection of Classic Snowbabies — the **Beach Babies**. Proving that a Snowbaby isn't just for Christmas, this charming new range will appeal to avid collectors of Kristi Jensen Pierro's much loved characters. Their summery vibe will supply a constant ray of sunshine when they are displayed and enjoyed all year round.

After a particularly chilly winter in Frosty Frolic Land, these babies are determined to get out and enjoy some fun in the sun for a change — by visiting the beach in bright red and white striped swimwear! Each of the six new Beach Babies wears a swimming cap with a one-of-a-kind porcelain rosette with a sparkling gemstone in its centre.

Highlights of the launch — and guaranteed to raise a smile — are a beach baby surfing on a dolphin's back in **Let's Go Surfin'** and a cute-as-can-be water skiing baby who is **Skiing the Wake**.
