

More Magnificent Meerkats

Launched in June 2010, a few years down the line the Magnificent Meerkats collection is still going strong for Country Artists and the new introductions for January 2014 look certain to increase this popularity.

Three fabulous new characters are being added to the portfolio, each inspired by modern-day heroes, in the form of meerkats who selflessly serve their country through their profession or who have amazed us on the silver screen.

Instantly recognisable, Duke strikes his most famous pose from his Magnificent movie career;

Sam is ready and waiting for the alarm and looking resplendent in his fireman's uniform and

Neil is taking one small step for meerkats, one giant leap for the Meerkatkind — and is ready to launch right into your collection.

Amusing, human-like in demeanour and truly Magnificent — that's a Meerkat for you!
