

## Two New Stags with Style

Each **Stag with Style** is sculpted with a stag's head displaying a full set of antlers decorated in gold and a body dressed with impeccable taste. The latest launch from *Border Fine Arts Character's Stags with Style Collection* welcomes two new dapper characters who are out to impress in their debonair outfits.

Joining the six existing well-dressed stags who are all ready for traditional countryside pursuits, the latest introductions expand the theme of the great outdoors even further by including two new characters in traditional Scottish and golfing attire.

Choose from **Jack**, who's smartly dressed for a round or two of golf and **Malcolm**, who looks resplendent in his kilt and sporran and looks ready for a day outdoors, whatever the terrain.

Each figurine is presented in a branded gift box and is ideal as an amusing gift or self-purchase. So, don't let your collection get stuck in a 'rut', add some **Stags with Style!**
