

Willow Tree®... 'For Always'

Introduced in January 2000, Willow Tree® continues to be one of the most popular gift choices in the UK and around the world.

Artist Susan Lordi is the creator of the hugely popular and everlasting line of hand-carved figures that communicate emotion through gesture. In January 2017, Lordi introduces a new, beautifully expressive figure that will be an ideal Mother's Day as well as birthdays, and any time you want to tell your Mum how much she means to you.

For Always depicts a mother holding her child in a close embrace, and includes the sentiment 'Now and for always, I carry you in my heart'. Such powerful, emotive sentiments give meaning and longevity to the collection, which celebrates its seventeenth anniversary in 2017.

'The challenge for me', says Lordi, 'is to honestly sculpt what I know to be true...to put my feelings into tangible form. Then, hopefully, this will touch a universal chord and be meaningful to others.'
