

## Music, Movement and a little dash of Christmas Magic from Heartwood Creek

June 2015 sees a wonderful selection of new festive items to Heartwood Creek, arguably one of the most recognizable brands of collectibles in the world. The enormous popularity of award-winning artist, sculptor and painter Jim Shore is the result of a lifetime of dedication, inspiration and hard work and showcases his passion for American and European folk art.

Innovation is the keyword in this launch, as we see the introduction of long-awaited musical and rotating pieces by popular demand!

There are two Revolving Figurine Musicals: Santa (tune: Deck the Halls) and Angel (tune: O' Holy Night) and a stunning One Starry Night (Nativity Musical Waterball) (tune: O' Holy Night). But the star of the show has to be the aptly-named Toy Soldier Express (Christmas Train Musical Masterpiece) (tune: O' Christmas Tree), a magical, musical masterpiece depicting Santa in his very own train that journeys around the beautifully decorated Christmas tree guarded by toy soldiers.
