

Colourful, droll and endlessly lovable! – it's the new Peanuts by Jim Shore Collection from Enesco.

Take Snoopy and one of his endearing witticisms, add in a friend from the Peanut Gang and mix with award-winning artist Jim Shore's folk-art inspired decorations, and 'Good Grief', as Charlie Brown might say, the result is a figurine gift collection of imagination and panache! Launched by Enesco, the Peanuts by Jim Shore Collection features the quirky comic strip characters - Snoopy, Charlie Brown, Lucy and Woodstock - and the figurines are perfect for telling friends and family that you love them.

Ideal for Valentine's Day, the figurine I Heart You shows Snoopy holding a pink balloon inscribed with the three romantic words. Love is a Beagle Hug shows Snoopy with not one, but four Woodstocks, and it's the cutest way to thank Mothers for their boundless love, whilst in Best Dad, Snoopy is masterful in glasses and red bow tie, and fathers will adore him! Jim Shore's colourful and themed motifs around the figurines' shaped bases and on the characters, enriches the sentiment and humour behind each piece.
