

Get Creative...with New Art Hearts to Personalise

Highlights of the June 2016 launch from DEMDACO®'s **Art Hearts** collection has to be two brand new hearts that allow you to get creative and personalise, whether for yourself, or as a gift.

Grown-up colouring has become one of the nation's most popular pastimes and so the **Colour Me Art Heart** is guaranteed to be a huge success and comes with six felt tip pens to colour in the beautiful designs on the heart. Chalkboard is another huge trend in the crafting and giftware world at the moment and the **Chalkboard Art Heart** comes with three chalk sticks, in pink, white and blue, to enable a truly personalised message of love.

Art Hearts can be hung by the tasselled ribbon, or can be displayed using the unique key stand. Each Art Heart carries the artist's name and comes packaged to create a gift, and a memory, that will be cherished.
