

## Double the Reason to Love New GUND® Peter Rabbit™ Pairs!

Last year's commemorative Peter Rabbit was so successful that a brand new limited edition piece is being launched in January 2017 — and, for the first time, it's a double piece featuring both Peter Rabbit and his cousin Benjamin Bunny.

Each of the five hundred limited editions comes with an individually numbered certificate of authenticity and is packaged in a luxurious bespoke box with gold foil print and original Beatrix Potter imagery of the two characters.

Continuing the new product format of double soft toy sets, the GUND Peter Rabbit range also sees the addition of the new **Mrs. Rabbit & Peter**. This classic pose has been taken from Beatrix Potter's original story illustrations and developed into an adorable double piece soft toy, using soft huggable plush with hook and loop fastening elements.
