

Feel the Tingle! with Suzy Toronto's bright and breezy giftware

Fun loving American designer Suzy Toronto's inspiring philosophy of 'living life to the full and loving every minute of it' finds expression in her colourful and wacky artwork. What's more the Suzy Toronto exuberant homeware and stationery collections, with their 'tingle factor', will be available from Enesco from January 2015.

Suzy Toronto giftware includes ceramic mugs and wall plaques, magnets, shopper bags and a stationery collection comprising journals and memo cubes. The meaningful designs are perfect for both home and office. Inspired by stories from the lives of her own family and friends, Suzy's empowering messages such as 'Age is nothing but a state of mind' and 'A wild wacky wonderful woman lives here' are guaranteed to raise a smile and aim to reduce the stresses of everyday life.

Suzy's enlivening illustrations accompany every message, and their bright and bold style brilliantly exemplifies her passionately held mantra that says – 'Don't let anyone dull your sparkle'.
