

### Latest Magnificent Meerkat Movers and Shakers

Country Artists takes a light-hearted look at some of the most illustrious Meerkat heroes through the ages who seem somewhat familiar to us humans. Each figurine is made from resin and is entirely hand painted.

January 2015 see the addition of three fabulous new movers and shakers from the Meerkat stage — one a musical legend, another a silver screen icon and the last is an old favourite returning in a different format.

Instantly recognisable and the ultimate Meerkat entertainer, **Charlie** strikes his most famous pose from his Magnificent silent movie career. Also new and ready for his next performance, **Bob** is here to entertain you with his Rastafarian reggae rhythm. And finally, we've introduced the movers, now here's the shaker: as **Alexei Meerkat** returns in the form of a magnificent resin water ball with luxurious flocked base! Simply shake the ball to create a golden confetti swirl.

Amusing, human-like in demeanour and truly Magnificent — that's a Meerkat for you!
