

Willow Tree® – Thank You

Thank You is one of several new figurines added to the Willow Tree collection for 2014. Hand carved by artist Susan Lordi, as is every original piece in the collection, the figurine expresses the sentiments of appreciation and gratitude.

The sculpture features a young girl leaning forward and offering a bouquet of pink peonies as a gesture of thanks whether for hospitality received, for help given by teachers, nurses and volunteers or as a heartfelt appreciation of support received from family and friends. Susan adds, *'The flowers are classic, timeless peonies, which release a beautiful fragrance, and whose lifecycle can span generations.'*

Willow Tree figurines are expressive art forms that communicate and convey emotions without the need for words, and can reach across boundaries to bring people closer together. Other launches for 2014 include Christmas hanging ornaments and figurines for Mother's Day and to celebrate the birth of a new baby.
