

### Meet new Meerkat — ‘Showman’

Launched in 2010, the Magnificent Meerkats collection from Country Artists continues to increase in popularity, taking a light-hearted look at some of the most illustrious meerkat heroes throughout the ages who seem somewhat familiar to us humans. Each figurine is made from resin and is entirely hand painted.

June 2015 sees the addition of a fabulous new musical legend from the Meerkat Hall of Fame — our very own charismatic Showman. Dressed in blue jacket, skin-tight white trousers and white trainers, he is striking his pose, arm in air and microphone to hand and is ready to strut his stuff. Showman is guaranteed to make you smile and want to sing!

Amusing, human-like in demeanour and truly Magnificent — that’s a Meerkat for you!
