

## Latest Additions to Dogs Rock, DEMDACO's must have Canine Collection from Enesco

Dogs are the focus of Stephen Fowler's funky designs and the inspiration for a variety of functional and decorative gifts by DEMDACO from Enesco. The January 2014 launch sees more breeds being added to the popular Burlap Wall Art range, as well as an exciting new range of barware.

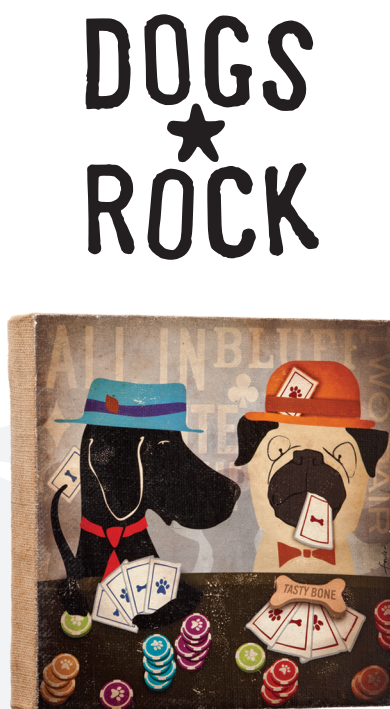

The new barware includes four dishwasher-safe pint glasses featuring different doggy breweries and ales: **Mutts & Co.**, **Scottie**, **Beagle** and **Bulldog**, plus a set of four assorted coasters, including the Scottie and Beagle Brewing Co. as before along with **Basset Vineyard Fine Wines** and **French Poodle Martini Bar**.

Card games and gambling dens is another new theme being launched, in the form of three humorous Wall Arts depicting dogs playing poker (pictured). Sold individually, they can be displayed as individuals, or in the form of a triptych.

Stephen's art captures the witty and appealing natures of our adored pets with a style inspired by vintage graphic design that has broad current appeal — dogs do indeed rock!
