

It's Easy to 'Spot' the New Ponies from The Trail of Painted Ponies

Two exquisite new ponies from **The Trail of Painted Ponies** trot into the arena for January 2015, both feature bold, vibrant animal designs, as well as a delightful smattering of polka dots.

Can you 'spot' what is hidden camouflaged on the striking polka-dotted coat of the appropriately-named **Spot**? Why, it's a tumbling mass of adorable Dalmatian puppies, which are sure to bounce their way right into your heart.

Joining **Spot** in the January launch is **Butterflies Run Free**, which is every bit as eye-catching in appearance as Spot, and even features some polka dots of its own! But by far the most beautiful detail has to be the vibrant butterfly wings that cover this gorgeous horse's body...it will make your heart flutter and will fly straight into the collections of fans of this amazing collectable range!
