

Latest Additions to Disney by Britto

Enesco's exciting **Disney by Britto** collection combines today's most sought after contemporary artist with the number one family brand, offering a truly unique collection.

January 2015 sees the welcome addition of some fabulous limited editions featuring much-loved Disney characters to the popular Disney by Britto collection, including two large limited edition figurines, **Mickey Mouse Big Figurine** and **Minnie Mouse Big Figurine**, both of which are produced in a limited edition of 1,000 pieces.

Featured here is the new **Minnie & Mickey Mouse Kissing Figurine**. Produced in a Limited Edition of 3,000 pieces, this figurine captures all of the fun and vibrancy of these two Disney characters — not to mention the romance! Cast in two separate pieces, the bases of the two characters can be placed with **Minnie & Mickey Mouse** facing each other leaning in for a kiss, or reversed as if they have had a lover's tiff — the course of true love never did run smoothly!

Each set is numbered and comes with a certificate of authenticity.
