

## Appreciating the 'Journey'...with Willow Tree®

For June 2016, Susan Lordi has sculpted an uplifting new figure for the Willow Tree® collection.

Entitled **Journey**, and with the sentiment: *Appreciating where you are...each step of the way*, this enchanting figure offers a simplicity of form and gestural quality that communicates without words and expresses universal sentiments to all, as only Willow Tree can.

*'This figure', says award-winning artist, Susan Lordi, 'could be an encouraging and supportive reminder to someone beginning a process, a 'journey'...perhaps moving towards a greater well-being and independence; a new career or location; overcoming illness or personal loss...it's a reminder to pause and reflect on the moments — both difficult and joyful — along the path towards achieving goals.'*

Also, due to popular demand, **Thank You**, **Soar**, **Lots of Love** and **Abundance** have all been resized and are now available as new hanging Ornaments.
