

Latest Plush Additions to Disney by Britto

Enesco's exciting collection combines today's most sought after contemporary artist with the number one family brand, offering a truly unique collection.

January 2014 sees the welcome addition of four much-loved Disney characters to the popular Disney by Britto collection — in the form of adorable plush Winnie the Pooh, Eeyore, Mickey Mouse and Minnie Mouse — and each is available in two sizes: standard or mini.

Featured here are 4037566 Eeyore and 4037563 Mickey Mouse. Both retro plush dolls get the POP ART treatment with up to 19 different fabrics that incorporate Romero Britto's bold colouration and optimistic sensibility. Eeyore's tail really detaches!

All of the new Disney by Britto Plush products are CE marked and the age grade is 0+. Furthermore, they are hand washable and produced by workers in a safe and healthy working environment, ensuring that they make appealing gifts for any age that are also safe from the earliest age up.
