

Really Great News – New Products unveiled for this best-selling giftware

Tongue-in-cheek and down-to-earth, the Really Great News collection of mugs, photo frames and pillows is guaranteed to raise a smile on even the darkest day. And the 2014 additions of aprons, plaques and mugs featuring new quirky designs by the talented Lorrie Veasey extends the appeal still further.

As with existing designs in the collection, 'his' and 'hers' options are available for the new launches. The witty new aprons tap into the male zeal for barbecues and to women's love of cooking, and the hilarious headlines are backed up by delicious sounding recipes.

Also unveiled are three new designs for mugs, and for the first time a coloured accent brings a brilliant twist to the newspaper style concept. The 'Local Couple Renounce Tradition and Vow to Celebrate Love All Year Round' Mug features bold red borders, emphasising the clever irony behind the romantically themed design and making it an ideal Valentine's gift.
