

## Stags with Style – dress to impress with Border Fine Arts

The latest launch from BFA Character is Stags with Style. This irresistible collection of six well-dressed debonair stags reveals males are out to impress as they pursue traditional countryside pursuits.

Each character is modelled with a stag's head boasting a full set of antlers decorated in gold, and a body dressed with impeccable taste.

Choose from Henry who's smartly dressed for a day's shooting on the moors, George, elegantly attired as befits the master of the local hunt or Lawrence in his tweeds as he sets out to stride across the hills. Meanwhile, Hugo is the height of good taste as he settles down for a read of the papers, Spencer's eclectic style is perfect for relishing his freshly brewed coffee and Edward is most debonair in his black tie evening suit.

Each figurine is presented in a branded gift box and is ideal as an amusing gift or self-purchase.
