

‘With Great Power Comes Great Responsibility’

The new limited edition figurine Spider-Man is the second launch from the prestigious Marvel collection, made entirely by hand in the Scottish Borders.

Spider-Man aka *Peter Benjamin Parker* made his first appearance in *Marvel Comics’ Amazing Fantasy #15* (August 1962). The sculpt brings to life the iconic creation of Stan Lee and Steve Ditko, and perfectly showcases his super strength, agility and the ability to cling to buildings using his web shooters. A truly ground-breaking character, the first teenage superhero was brought to life with exquisite detail by the acclaimed sculptor Peter Mook and Design Director, Ray Ayres in Langholm.

Each piece is individually crafted by the highly skilled artisans at Border Fine Arts and is available in a worldwide limited edition of 500. The mantra that Spider-Man grew up with has been echoed with the care and attention to detail this figurine offers.
