

Art Hearts — Gifts of Love

Following on from its very successful launch in 2014 the **Art Hearts** collection sees eight beautiful new designs of heart sculptures being introduced from **DEMDACO®** in January 2015. Each heart shape features a contemporary and imaginative design from a popular artist in the gift industry, and expresses sentiments of love, friendship, celebration or thoughtfulness.

Amongst the new vibrant designs, which have predominantly love-driven sentiments, are two delightful family-themed hearts — **Dear Mum** and **Best Daughter** — which will make perfect birthday or 'just because' gifts. With the statement 'You Mean the World to Me' over a blue cartographic background, the new World to Me heart is perfect for any gift-giving occasion, age or gender.

Art Hearts can be hung by the tasselled ribbon as an ornament or can be displayed using the unique key stand. Each Art Heart carries the artist's name and comes with specially designed giftable packaging to create a gift that will be cherished.
