

Art Hearts — Gifts of Love

Since its launch in 2014, Demdaco®'s **Art Hearts** collection continues to grow with the June 2015 offering eight beautiful new designs of heart sculptures.

Each heart shape features a contemporary and imaginative design from a popular artist in the gift industry, and expresses sentiments of love, friendship, celebration or thoughtfulness in a format that is perfect for any age and gender.

Here, we've selected two favourites from the vibrant new designs: **Happy** — which, has been cleverly designed with words 'happy' and 'celebrate' and images of cupcakes, candles and streamers, and therefore caters for all giftable occasions — and **Cats** — for all the cat-lovers in the world!

Art Hearts can be hung by the tasselled ribbon as an ornament or can be displayed using the unique key stand. Each Art Heart carries the artist's name and comes with specially designed packaging to create a gift, and a memory, that will be cherished.
