

Hilarious New 'Our Name Is Mud' Birthday Mugs

Famed for its witty and colourful ceramics and glassware, this season's launches from **Our Name is Mud** introduce a series of hilarious Birthday Mugs. Reaching the next milestone can often bring apprehension, but, whatever the age, **Our Name Is Mud** makes light of it!

Who can resist a smile when they read such funny sentiments as: 'Still a Teen @ 18! Never mind tea, where's the pub?'; 'I'm Flipping 30! Women lie about their age, men lie about their income'; 'I'm hot for 50! It just comes in flashes now' and 'Crikey I'm 80! I am 18, with 62 years' experience!'

So, next time you know someone who is celebrating a big milestone in their life, one of these mugs would make the perfect gift. They are bold, fresh and functional and come in a gift box, ready to give — all you need to do is write the card!
