

Lolita wine glasses top the wish list this Christmas

Amongst this season's new launch for the Lolita glassware collection are four festive wine glasses. Created with the unique Lolita spirit of celebrating special occasions with glamour, each of the new wine glasses is hand-blown, distinctive in design and adornment and is finished with a hand-lettered wine-based cocktail recipe on the base of the stem.

Choose the glass to suit the personality of the friends in your life – whether it's the colourful *Holiday Beauty*, the elegant sparkle of *Winter*, the artistic *Winter Magic* or the crisp *Snowy Night* wine glass.

Turn over the glass to reveal Lolita's cocktail recipes such as Chardonnay heightened with the flavours of raspberry and vanilla on Winter Magic; a warming luxurious mix for Winter of white wine, peppermint, cocoa and whipped cream; meanwhile the midnight blue of a Snowy Night has inspired a peach schnapps and white wine medley laced with blue curaçao and vodka whilst on Holiday Beauty, Lolita has included a personal festive message.
