

Bea's Wees...Holidays!

Designed by artist Natalie Kibbe, every hand-painted Bea's Wee carries a heartfelt happy and affectionate message and is perfect for gift-giving and celebrating. There's a whole host of enchanting new characters being introduced for June 2015 with a strong emphasis on the festive season.

From new mini and large Holiday Wees to a brand new Nativity set of three, as well as adorable new hanging ornaments which are made extra special with pearl and diamanté features, your Christmas is already more than catered for!

Worthy of special mention are the two new Mushroom Houses where the little Wees can now live and there's even a Christmas Tree around which they can congregate!

But it's not all about Christmas, as two new sets of Wees couples are being introduced too — the first set features a bride and groom (Happily/Ever After) and the other set, Always/Forever, can be used for weddings, engagements or anniversaries.
