

Art Hearts – Cool Gifts of Love

Art Hearts is a new collection of twelve heart sculptures from DEMDACO. Each heart shape features a contemporary and imaginative design from a popular artist in the gift industry, and expresses sentiments of love, friendship, celebration or thoughtfulness.

Amongst the vibrant designs are Floral Bird – depicting a colourful bird perched on a flower; Love is Real – a graphic-led design with a bold declaration of love, and Tic Tac Toe – a witty interpretation of the favourite game using hearts and crosses. Each Art Heart carries the artist's name and comes with specially designed packaging to create a gift that will be cherished.

Art Hearts can be hung by the tasselled ribbon as an ornament or can be displayed using the unique key stand. The broad selection of cool designs means there's an Art Heart that's perfect for sharing your feelings with the one you love.
