

## Foxy by Nature is a fun new launch from Border Fine Arts

Renowned for its witty collections featuring character animals with personality, Border Fine Arts has launched a new range, Foxy by Nature, portraying fashionable foxes wearing the latest fashion styles.

The Foxy by Nature collection of four debonair foxes follows on from the popular Stags with Style range. James, Christian, Jack and Michael are dressed with distinction and each has a pose expressing confident panache!

Christian is quite the serious city gentleman in a crisp navy suit with open necked pink shirt whilst James has a more relaxed demeanour sporting a gilet over a casual weekend shirt. Attention to detail such as the foxes' long bushy tails, alert and pricked up ears and bases to suit each fox character, add to the endearing humour of each study,

Each fox is presented in its own branded Foxy by Nature gift box and make a perfect gift or wonderful self-purchase.

Foxy by Nature will be on show on the Enesco stand at the Spring Fair 5th – 9th Feb 2017 NEC, Birmingham, Hall 4, Stand H80-J81.
