

Play Date with Santa...from Snowbabies®

Celebrate the wonder of winter with each and every *Snowbaby*...the crisp, chilly air, the chuckle of children playing in the snow, or skating on a frozen pond — winter unfolds like an artist's dream.

An important part of Christmas is holding on to our traditions and reminiscing about the memories we've created with our families and the latest pieces will remind you and bring you back to some of your fondest holiday memories.

Limited to the year of production, **Play Date with Santa** is just one of the must-have new items and depicts an excited little *Snowbaby* perched on Santa's shoulder as they set off to play with a cute reindeer in tow.

Also pictured are **Just One Little Wish** and **A Kiss For Luck**, two delightfully heart-warming porcelain bisque figurines that are guaranteed to add a little sparkle and joy to any festive display.
