

Introducing...Pups at Play

Border Fine Arts is pleased to add **Pups at Play** to its Studio collection for June 2015. As the name suggests, the inaugural launch offers four figurines — all showing adorable puppies being playful!

Time For Tea features an inquisitive Boxer Pup who has knocked over a teacup, **Two's Trouble** shows two Westie puppies playing with their favourite teddy bear, a young Staffordshire Bull Terrier chewing on his owner's favourite designer shoe is definitely **Up To Mischief** and an English Springer Spaniel 'helping' to put away the food shopping has made the **Butcher's Choice**!

As with all Border Fine Arts pieces, every **Pups at Play** figurine is hand painted and the company's attention to detail is evident in each figurine, with all subjects being true to the breed featured.

Packaged in Border Fine Arts Studio branded gift boxes, they will not only make perfect presents for all those dog lovers out there, but an ideal self-purchase too!
