PROSECCO GLASSES

6004364 Ladybug Prosecco Glass
Height: 22.0cm 📦

As a student, Lolita nurtured her love of creativity, entrepreneurship and business. After graduating Magna Cum Laude with a double major in Marketing and Fine Arts from Mary Baldwin College in Virginia, her hard work helped jumpstart her career working in advertising and for Christian Dior and Donna Karan in the fashion industry.

Every Lolita Glass is hand-crafted and blown so no two are identical. The beautiful designs throughout the collection are achieved by applying multiple layers of non-toxic, food grade paint by hand. Some glasses have up to 100 hand-glued crystals added to them to create their glamorous designs!
