

**Latest exquisite Santoro® collectible keepsakes; created to own, love and to treasure**

Since its launch in January 2014, the heart-warming range of sweet and whimsical **Santoro's Gorjuss** keepsakes has gone from strength to strength, and sensational new introductions for June 2014 develop the collection's appeal even more.

Exciting new product concepts added to the collection mid-year include two Water Balls, featuring **Rainy Daze** and **I Love You Little Rabbit**, plus two Photo Frames capturing the warm emotion of the original illustrations of **Ruby** and **On Top Of The World**.

Two of the four new figurine launches— **Little Red** and **Ladybird** — portray the endearing stripy-socked girl in adorable outfits, whilst **My Own Universe** is an enchanting princess in her own world and **I Found My Family In A Book** depicts a wistful gorjuss girl who has created a delicate cut-out paperchain family of her very own.

Beautifully packaged and complete with a gift card for a personal message, every Santoro collectible keepsake has been created to own, love and to treasure.
