

Have The World at Your Fingertips with Border Fine Arts' Globe Collection

Putting a fresh take on a classic design, the **Globe Collection** from **Border Fine Arts** has created a range of contemporary globes that are not only decorative and educational, but also makes stylish statement pieces in any contemporary setting.

Both new globes sport a stunning high-gloss finish — in gold or copper — and will certainly provide a strong focal point, talking point and statement piece in any modern home or office — making them an ideal gift for all devotees of travel, and particularly the difficult-to-buy-for man in your life.

Both also feature a double axis so you can easily make your way around the whole world from the comfort of your own home, or plan your next adventure!
