

Raise a laugh @ the office with the new Cats@Work collection from Enesco Gift

The new Cats@Work stationery and giftware collection from Enesco Gift introduces the witty comic strip style designs of American graphic illustrator and greetings card designer, Kathy Weller. As a young child Kathy loved to illustrate, and now her art and ideas have combined together in Cats@Work - a unique and humorous take on work life as seen through the eyes of a cat character.

Available as mugs, memo pads, and tumblers, Kathy's dry, in-your-face proclamations are spoken by quirky cats with deadpan expressions. From mugs and tumblers with fun sayings such as 'It's Monday, Let's do this' and 'At Some Point This Made Perfect Sense' to a memo pad bearing the pithy 'Not Happening K?', the colourful Cats@Work encourages us all to laugh at our jobs and ourselves.

At prices under £10, the Cats@Work products are ideal as a gift or self-purchase. The entertaining sayings and bright illustrations will add good-hearted cheer to office environments or home work spaces alike.
