

## Happy Heartwood Creek-mas!

If it's one thing Heartwood Creek does well, it's celebrating the spirit and magic of Christmas — the traditional way! And each enchanting design features the folk-art style that is unmistakably Jim Shore.

There are lots of fabulous new Christmas launches for June 2016, highlights of which include a new Toy Soldier Nutcracker in the Victorian Christmas range, which captures the warm decorative style of a bygone era with rich colours and a subtle sugary finish; a new Santa featuring a village scene and a fully sculpted Holiday Train that circles the base with a gentle touch of the hand. This beautiful piece has everything for the season — even a cookie for Jolly Old St Nick! And, finally, the wonderful NEW White Woodland Collection features magical woodland characters in a delicate pale wintry colour scheme.

Featuring Jim's unique rosemaling and quilt designs each of these new pieces would make a perfect centrepiece for holiday celebrations.
