

Learn Your ABC and 123...with the New Spunky™ Dog from GUND®

Proving that a GUND® soft toy provides so much more than just a cuddle, the January 2017 launch includes a new dual-mode educational dog to encourage and nurture early learning skills.

The new, animated **Spunky™ Dog** sings the alphabet and counts 'one...two...three' when you press the buttons on his footpads, making him the perfect gift for little girls and boys who are eager to learn. Hours of family fun awaits, as they practice over and over again with their new 'best friend'.

Also new — and a perfect way to celebrate your little one's arrival — is the range of **Peyton™** bears, available in three colours: cream, pink and blue. These gorgeous teddies are made using ultra premium plush and are adorned with a sophisticated grosgrain ribbon in matching pretty pastel colours.
