

Sweet Memories are made by Snowbabies

Department 56 celebrates its fortieth anniversary of creating inspirational gifts, and in honour a host of new Snowbabies has been unveiled. Additions to popular ranges such as the Girlfriends Collection are joined by new hanging ornaments and an adorable Sweet Memories Collection.

The Sweet Memories collection is inspired by the delicious aromas and tantalising sights of yuletide baking and three lovable Snowbabies – *Preparing Cookies*, *Eating all the Gingerbread* and *Sharing Cookies with Santa* – are in the range. The lovingly decorated gingerbread biscuits on each creamy coloured figurine are recreated by brown coloured porcelain accents.

Snowbabies offer countless ways to celebrate life's memorable moments and the new figurines in the Girlfriends Collection do this with panache – expressing the excitement of dressing up in *Mirror Mirror*, the memories of shared cocktails in *Shirley Temples* and the fun of a *Girls' Night Out*.

The new Snowbabies hanging ornaments feature fine details making them extra endearing as gifts. *Toting the Tree* portrays a festive Snowbaby, whilst *Coffee First* and *Selfie* are two of four new designs in the Girlfriends Collection.
