snowbabies™

DEPARTMENT 56®

To create each beautiful figurine, our sculptors work from Kristi Jensen Pierro's original drawings. Little finishing touches are added to each character along the way — creating the charm and whimsy for which this delightful collection is so well loved. Snowbabies...capturing memories to be cherished forever.

WillowTree®

Susan Lordi

all new

Susan Lordi's art reflects our relationships with people and the world around us. Her keen observation of the human form is further inspired by dance, art history, nature, and personal experiences with family and friends. These influences are revealed in her Willow Tree® sculptures, from which emotion is communicated through gestures only.
