## BEHIND THE DETAILS

Growing up in Victorian London, Beatrix loved to sketch the pet animals kept in her home school room. Combined with a natural talent for storytelling and bursting with ideas, Beatrix later secured a publishing deal with Frederick Warne, producing on average two books every year. After moving to the Lake District, Beatrix married and turned to farming and land preservation. Her legacy however will always be her books, having sold millions of copies globally.

## BEHIND THE DETAILS

Jim Shore grew up in rural South Carolina, the son of artistic parents who instilled in him a love of the traditional imagery of American folk art. His grandmother was a master quilter who taught him an appreciation for the patience and skill required to bring intricate designs to life.

Jim has perfected his unique style, combining elements of folk art with a vibrant colour palette applied to traditional themes.

# GUND®

## Charity Plush

**GREAT  
ORMOND  
STREET  
HOSPITAL  
CHARITY**

Peter Rabbit soft toys have been specially designed by GUND in recognition of the incredible and pioneering work of Great Ormond Street Hospital (GOSH) – one of the world's leading children's hospitals. For every product sold, a donation will be made to the charity by Enesco, Frederick Warne & Co. and Silvergate PPL. Together, we have raised an amazing, £39,256.50 since 2017.

Designers used patients' artwork and created a colourful, fun fabric featuring carrots and flowers to decorate Peter Rabbit's ears and paws.

Peter's jacket has also been updated to match the hospital's official colour during the 20th century, and to reflect the colour of the GOSH nurses' uniforms in the late 1800s, further celebrating the staff expertise and dedication towards improving children's healthcare.
