

Hoots n' Howlers – Playful gifts from Enesco

Hoots n' Howlers, a new giftware brand designed by successful artist Lorrie Veasey, will be launched this summer by Enesco Gift. The collection, including ceramics and glass, features an eclectic selection of animals acting as the mouthpiece for witty hoots and howling sentiments that perfectly sum up life and are perfect for a myriad of celebrations with family and friends.

Lorrie's sassy and vivacious approach to life characterises her designs as she looks to create distinctive gifts that can be enjoyed every day. With bold photography of goldfish, pigs, cats and dogs – just some of a veritable menagerie found across the giftware – and colourful hand-drawn illustrations, Hoots n' Howlers make gift giving easy.

Choose from a Happy Birthday Friend, Fabulous Friend or Catfeinated Mug – all with perfect one-liners such as 'you'd look a lot younger if you didn't work here'. Whilst the birthday wine glasses, ideal for significant milestones, feature amusing ripostes such as 'Fantastic at 40 – fabulous is an Attitude!'
