

Disney Showcase Collection

The dramatic and detailed *Haute Couture* collection from **Disney Showcase** focuses on some of Disney's most devious villains and beautiful princesses and features figurines with masks that are relevant to the characters, as these two new figurines demonstrate:

New for June 2015, **Aurora Masquerade** is a stunning portrayal of Sleeping Beauty in a shimmering pink dress, created using beautiful pearlescent paints. Aurora wears a sparkling golden necklace and tiara and is holding a sky blue mask with pretty silver stars.

Captain Hook Masquerade captures the pompous villain to perfection — in all his regal splendour. Every detail of his jacquard coat and the lace frill of his shirt collar and cuffs has been recreated with minute attention and the plume of his hat is simply the icing on the cake! The crocodile mask is the perfect, witty choice, representing Captain Hook's nemesis.

Each figurine comes in its own branded gift box and makes the perfect present or a wonderful self-purchase...start your collection today!
