

## What's Up Doc?

Enesco and Warner Bros. Consumer Products Announce  
A New Line of Looney Tunes By Jim Shore Figurines

Seven of the Looney Tunes' fast talking and frenetic characters take on an adorable new look with decorations styled by talented American artist, Jim Shore. The wise cracking Bugs Bunny, the beguiling Tweety Bird and the neurotic Daffy Duck are just three of the iconic personalities from the popular brand that star in the new Looney Tunes by Jim Shore figurine collection created in partnership with Warner Bros. Consumer Products.

Jim Shore's designs are inspired by his passion for American folk art and his colourful, upbeat style is a perfect match for the Looney Tunes cast of funny and audacious characters. Sit back and enjoy the merry memories of the quick-witted crew as their antics and memorable sayings are relived in the new figurines, such as Bugs Bunny's 'What's Up Doc?', Tweety Bird's 'I Tawt I Taw a Puddy Tat' and Porky Pig's 'That's all folks!'

The hilarious poses and expressions of each character are enriched by Jim Shore's designs from the mischievous looks of Taz, the highly charged 'supergenius' Wile E Coyote chasing the lightning fast, Roadrunner, to the lovable Daffy Duck who saves the world from Marvin the Martian.
