

Hairy Coos!

Wearing tam o'shanter, plaid scarves and modelling a stylish range of Arran jumpers, these are the smartest Highland Cattle ever to be found. Sculpted by Janet Miller, each Hairy Coo is painted by hand giving it an individual quirky character that's guaranteed to lift your moo'd!

January 2015 sees three new well-groomed characters joining this popular range of humorous figurines. First up, are two calves, **Ava** and **Charlie**, who are all dressed up in their favourite clothing and accessories; followed by the adult, **Harry**, who looks resplendent in his white collar and tartan tie.

There's even more excitement! With two new Plush Hairy Coos being launched in January too! Border Fine Arts has teamed up with leading plush manufacturer, GUND, to introduce this brand new plush collection and two of the most popular characters from the series — **Shona** and **Hamish** — are the first to be introduced. They are a great addition to the range and at an SRP of just £9.95, they are a fantastic price too!
