

New Ceramic Beatrix Potter Baby Items

Border Fine Arts has been producing Beatrix Potter products since being granted the licence in 1987, since then this popular collection has grown to include many different formats.

Highlights of the new introductions for January 2015 include a brand new range of ceramic Alphabet Letters, from A to Z, all featuring delicate decals taken from the original artworks of Beatrix Potter's best-loved Tales. Collect the whole alphabet, or create a name in various colours and character designs, they are perfect for display in a baby's nursery!

Also new, and making welcome additional items in the Peter Rabbit Nursery Collection, are two Nursery Door Plaques with attractive hanging ribbons: one for baby boys, featuring Peter Rabbit and one for baby girls, featuring Flopsy Bunny.

Bespoke branded display packaging makes them the ideal gift and future keepsake and a ribbon is featured on the packaging too.
