

Och Aye the Noo...New Hairy Coos

Two new bovine beauties join the herd for June 2016. First up is **Jimmy**, who looks very comical in his very own 'a'I see you Jimmy!' hat; and then there is the bonnie wee **Heather**, who is a little more genteel in her pretty heather headband.

Hairy Coos are a witty breed that evolved from imagining a series of bespoke adventures for Highland cattle, and customising their distinctive horns, absentminded expressions and shaggy coats with colourful and cosy attire.

Each Hairy Coo is packaged in a glossy white box with bright logo sticker, making a-moos-ing gifts for friends and family alike.
