

**New Santoro®'s Gorjuss Girls will be Cherished for a Lifetime!**

Since its launch in January 2014, the Santoro®'s Gorjuss collection of keepsakes, each portraying a whimsical stripy-socked girl expressing a heart-warming sentiment, has gone from strength to strength. Four new enchanting figurines are added to the collection for the start of 2015 – The Dreamer (large size), Hush Little Bunny and Twinkle (in medium sizes), and the small sized Little Violet.

Each exquisite gorjuss girl is created for its new owner to love and to treasure for a lifetime. Highly skilled sculptors interpret the details, shapes and sentiments included in original two-dimensional artwork to make each gorgeous 3D figurine. The world of Santoro®'s Gorjuss is brought to life by talented artists who hand paint each sweet study, carefully following the colours and motifs used in the beautiful drawings.

Destined to be the treasures of tomorrow, every Santoro®'s Gorjuss figurine comes with attractive packaging, an information leaflet and a gift card for a personal message.
