

Britto launches new Disney Collection

Britto have created a collection that captures the fun and whimsy of Disney characters — in the iconic, bold and colourful designs of Brazilian artist, Romero Britto — creating an array of dynamic and contemporary product for Disney and Britto enthusiasts alike.

New for 2017, the international pop artist phenomenon, Romero Britto, celebrates the 80th anniversary of Disney's classic animated film, *Snow White and the Seven Dwarfs*, with this irresistible, oversized, vibrant and highly detailed sculpture of Dopey. The bright pop art figurine is made from resin, is hand-painted and finished off with a glistening diamond made of glass.

Other highlights from the January 2017 launch will include six 295ml mugs; each with a unique cut out shape with raised details featuring characters ranging from Mickey Mouse to Donald Duck. Each ceramic mug is a work of art and is dishwasher and microwave safe. Collect all six.

The Disney BRITTO™ Collection will be on show at the Spring Fair 5th–9th Feb 2017 NEC, Birmingham, Stand 4H80–J81.
