

New Stacking Mug Sets from Our Name is Mud

Our Name is Mud is introducing a brand new format for January 2017 — in the form of two fabulous stacking mug sets.

With a 340ml capacity, these new stoneware mugs are smaller than the regular Our Name is Mud mugs, making them a very good size for a cuppa — and even better for stacking!

As with all Our Name is Mud designs, the new mug sets are emblazoned with the sharp humour for which the brand is so well loved. The first set consists of two mugs saying: 'I Love You' on one side and 'I Know' on the other and would be perfect for Valentine's Day, engagements, or any gift for a loved-up couple.

The second stacking mug set is a perfect retirement gift. One mug reads: 'If I don't want to, you can't make me' 'I'M RETIRED!' 'Under new management, see spouse for details' and the other: 'New management, see spouse for details'. A great tongue-in-cheek gift for someone who is retiring; a colleague in the office, a family member, or even a friend!

The Our Name is Mud Collection will be on show at the Spring Fair 5th–9th Feb 2017 NEC, Birmingham, Hall 4, Stand H80-J81.
