

SANTORO®'s Gorjuss™...Captivating Additions Include New Limited Edition, Ruby

The SANTORO®'s Gorjuss™ collection of keepsakes, each portraying a whimsical stripy-socked girl expressing a heart-warming sentiment, goes from strength to strength with four charming new figurines being added to the collection for the start of 2016.

The highlight of the launch is the beautiful Limited Edition **Ruby**, portrayed on her swing in a woodland scene with her special cat. Produced in a limited edition of 600 pieces, each will come with its own certificate of authenticity.

Also new are two medium figurines: **We Can All Shine**, holding her jar of stars and **Pulling On Your Heart Strings**, with her treasured hearts; plus the large figurine — **Dear Alice** — a compelling figurine in soft, muted colours with long flowing hair.

Each exquisite *gorjuss girl* is created for its new owner to love and to treasure for a lifetime. Highly-skilled sculptors and artists interpret the details, shapes and sentiments included in original two-dimensional

artwork to make each gorgeous hand-painted 3D figurine.

Destined to be treasures of tomorrow, every SANTORO®'s Gorjuss™ figurine comes in attractive packaging, with an information leaflet and a gift card for a personal message.
